

Press Release

Retirement Announcement

Annette Garel

The International Merchant Marine Registry of Belize (IMMARBE) announces as of June 21, 2024, the retirement of Annette Garel as Senior Deputy Registrar, a position she has held since 2013. Under her leadership, IMMARBE maintained its brand as the Friendly Flag of Quality. While at times it may have seemed challenging, navigating the many changes within the maritime sector with the implementation of regulations and ratifying conventions nationally, Mrs. Annette steered the Belize Registry with diplomacy. She dedicated herself to building and maintaining our registry with unwavering commitment and expertise.

Mrs. Annette joined IMMARBE, thirty years ago, holding several key roles including Deputy Registrar, Registration Manager, and Human Resources.

Over the years, Mrs. Annette has chaired and actively participated on a number of local committees and task force including the Maritime Technical Committee.

As Mrs. Annette embarks on retirement, IMMARBE wishes her fair winds and following seas, celebrating her stellar career in the Maritime Sector and sincerely thank her for the contributions made to our organization. She has left an indelible mark, and her legacy will live on in our Registry. Her presence will be missed, but her legacy will inspire us to new ventures.

Thank you
